

# NEBOSH National Certificate in Environmental Management

## The NEBOSH National Certificate in Environmental Management

The NEBOSH National General Certificate qualification has been recognised for many years as an excellent introduction to the fundamentals of occupational health and safety. The NEBOSH National Certificate in Environmental Management is designed to provide a similarly sound foundation in environmental management.

### What kind of people take the NEBOSH Certificate in Environmental Management?

Managers, supervisors and employees, who have responsibility for managing environment issues as part of their day to day duties. The qualification focuses on UK law and environmental management systems. It also provides a sound basis for progression on to the NEBOSH National Diploma in Environmental management.

### What are the benefits for organisation?

The NEBOSH National Certificate in Environmental Management will benefit companies who are seeking to implement effective environmental management systems, ensuring that line managers have a sound understanding of the principles of managing environmental risk. This qualification is relevant to all industry sectors.

### What You Will Study

The syllabus itself is divided into 9 units (approximately 40 hours of study):

#### NEC1

- E 1 Foundation in Environmental Management
- E 2 Environmental Management Systems
- E 3 Environmental Impact Assessments
- E 4 Control of Emissions to Air
- E 5 Control of Contamination of Water Sources
- E 6 Control of Waste and Land Use
- E 7 Sources of Use of Energy and Energy Efficiency
- E 8 Control of Environmental Noise
- E 9 Planning for and Dealing with Environmental Emergencies

#### NEC2

The Practical Application

### Assessment

This consists of an examination and a work based assessment. You must pass the examination paper and the work based assessment to be awarded the NEBOSH National Certificate in Environmental Management.

### Progression

The NEBOSH National Certificate in Environmental Management meets the entry requirement for the NEBOSH Diploma in Environment.
