

NEBOSH Award in Health & Safety at Work (Level 2)

The NEBOSH Award in Health & Safety at Work

The NEBOSH Award in Health and Safety at Work is a new qualification providing a basic understanding of health and safety principles and practices in the workplace. This qualification provides a perfect introduction to other NEBOSH qualifications including NEBOSH's International General Certificates.

Who should study NEBOSH Award in Health & Safety at Work Level 2

This qualification is aimed at those supervisors and team leaders who are interested in learning more about health and safety and they have not received any official Health & Safety training before. It will provide a basic understanding of risks and hazards across all businesses.

The typical people who would benefit from this qualification include:

- Staff with supervisory responsibilities;
- Team leaders;
- People who wish to have an introduction to other NEBOSH qualifications;
- People who want a good foundation in health and safety who have some Work experience, ensuring that they can put their learning into context.

Entry Requirements

There are no formal entry requirements for this qualification and there are no barriers to restrict access to any candidate.

What You Will Study

HSW1

- E 1 Foundations of health & safety
- E 2 Responsibility for health and safety
- E 3 Health & safety risk assessment and control
- E 4 Work equipment health and safety
