

The RRC NEBOSH International Diploma Course Blended/E-learning

NEBOSH International Diploma in Occupational Safety & Health

The NEBOSH International Diploma in Occupational Health and Safety is an internationally respected qualification for those wanting to develop a career in Occupational Health and Safety Practice.

There are no barriers to entry to the NEBOSH International Diploma but it is highly recommended that the NEBOSH International Certificate or equivalent be achieved before starting on the NEBOSH International Diploma course.

What You Will Study?

The syllabus is divided into 4 units and takes around 450 hour of study:

Unit IA International Management of Health and Safety (170 hours)		Unit IB International Control of Hazardous Agents in the Workplace (115 hours)		Unit IC International Workplace & Work Equipment Safety (115 hours)	
IA1	Principles of Health and Safety Management	IB1	General Aspects of Occupational Health and Hygiene	IC1	General Workplace Issues
IA2	Loss Causation and Incident Investigation	IB2	Principles of Toxicology and Epidemiology	IC2	Principles of Fire and Explosion
IA3	Identifying Hazards, Assessing and Evaluating Risks	IB3	Chemical Agents – Evaluating Risk	IC3	Workplace Fire Risk Assessment
IA4	Risk Control and Emergency Planning	IB4	Hazardous Substances – Preventive & Protective Measures	IC4	Storage, Handling & Processing of Dangerous Substances
IA5	Organisational Factors	IB5	Hazardous Substances – Monitoring and Maintenance of Control Measures	IC5	Work Equipment
IA6	Human Factors	IB6	Biological Agents	IC6	Machinery Safety
IA7	Regulating Health and Safety	IB7	Physical Agents 1 – Noise and Vibration	IC7	Mechanical Handling
IA8	Measuring Health and Safety Performance	IB8	Physical Agents 2 - Radiation & Thermal Environment	IC8	Electrical Safety
		IB9	Psycho-Social Agents	IC9	Safety in Construction and Demolition
		IB10	Ergonomic Agents	IC10	Environmental Pollution and Waste Management

Unit ID – International Application of Health and Safety Theory and Practice (56 hours)

This unit comprises an 8,000-word assignment for submission after completion of units IA, IB and IC

Assessment

Units IA, IB and IC are each assessed by a three-hour written examination. Unit ID is assessed by an assignment which takes around 50 hours to complete. Exams are held in January and July of each year.

Professional Body Memberships

On successful completion of the course, you will have met the academic requirements for membership of:

- The Institution of Occupational Safety and Health (Grad IOSH)
- The International Institute of Risk and Safety Management (MIIRSM)

You will also be entitled to use the post-nominal DipNEBOSH.

Several UK Universities will accept holders of the NEBOSH International/National Diploma onto the final year of their Health and Safety MSc Programmes.

The RRC NEBOSH International Diploma Course Blended/E-learning

Studying with RRC Blended Learning

This course combines on-line learning with 3 weeks of face-to-face teaching. During the workshops your expert tutor will teach key topics, summarise the other areas covered in your private study and focus on the requirements of the NEBOSH exam.

Each unit is based on a twelve-week study period although you can enrol earlier than this and spread the private study over a longer period. In order to get the most benefit from the course, you must complete the required private study before your face-to-face sessions.

Throughout your private study and right up to the exam you will have e-mail and telephone access to RRC's NEBOSH Diploma tutor team.

Studying with RRC – e-Learning

Private study is completed using RRC's e-learning system which is available 24/7 from anywhere in the world and provides a learning environment that gives you everything you need to successfully pass your exams. All you need is your PC and an Internet connection and off you go.

Our structured e-learning course leads you through the NEBOSH Diploma step by step, delivering the learning through a variety of media designed to make learning both enjoyable and effective.

The course includes:

- Videos and interactive animations designed to make the information accessible and easy to learn.
- Thought-provoking activities and exercises to enhance understanding and knowledge recall.
- Multiple choice tests allow students to evaluate their progress.

This is supported by

- Access to RRC's panel of expert tutors.
- Tutor assessed assignments, including a mock exam to allow exam practice and valuable feedback from a tutor.
- Additional online resources and links to other useful websites.
- Forums where you can collaborate with your fellow students, sharing experiences and discussing relevant topics.
- A full downloadable set of RRC's NEBOSH Certificate high quality colour course materials.
